

NEW HOPE PARKS & REC BOARD MEETING, MONDAY, APRIL 25, 2022

AGENDA

Meeting will be called to order.

Roll call/attendance taken.

Approval/acceptance (or corrections) of minutes from 3/28/22 meeting.

Financial Reports

Old Business:

Story Time Event

The board cannot seem to find a suitable date where the playhouse storytellers are available along with the community room (the community room is critical in the event of inclement weather). With this being the case, we have decided to postpone the event until September or possibly October.

Revisiting Girl Scout Troop 27124 Project

The scout troop is interested in doing a project on the green roof – either a full silver badge project that includes a set of plans along with many, many hours of work or just community service hours/cleanup.

Discussion on what, if anything, we want them to do.

New Business:

Hanging Baskets

Our beautiful hanging baskets will be completed and hung in time for the unofficial start of the summer, Memorial Weekend. Visitors and locals alike will be able to enjoy these baskets of beauty along Main Street, W Mechanic Street, Ferry Street, Bridge Street, as well as on the grounds our Borough offices. There is also a light post on the grounds of Parry Mansion.

Discussion/vote on approaching them about a hanging basket on this post.

Gardening Committee Update:

The urns on Bridge Street and Stockton Street were cleaned out and new annuals planted. Thank you to Sally and Randy for organizing this project and obtaining the materials. Also, a big thank you to Bev and Joanne for their help with cleanout/planting – the urns look great!
