Attention New Hope Borough Merchants!

We're kicking the New Hope Visitors Center into high gear with a new initiative to connect visitors with our Borough merchants, restaurants and lodging establishments.

The plan is straightforward: We're developing a searchable database of local businesses, their wares, specialties, and unique appeal. Any time someone pops in to the Visitors Center, we ask them for their interests, search a few keywords, and just like that, we provide them with options!

***Our staff is excited to pass on informed and current information about our diverse shopping community, but we need your help!***

To get started, please take a minute to complete the ***Merchant Information Form*** on the reverse side and email to the **Visitor Center** at [NHVC@NewHopeBorough.org](mailto:NHVC@NewHopeBorough.org)
