FUN STUFF / FACTS / HISTORY

Attention New Hope Borough Restaurants!

We're kicking the New Hope Visitors Center into high gear with a new initiative to connect visitors with our Borough merchants, restaurants and lodging establishments.

The plan is straightforward: We're developing a searchable database of local businesses, their wares, specialties, and unique appeal. Any time someone pops in to the Visitors Center, we ask them for their interests, search a few keywords, and just like that, we provide them with options!

Our staff is excited to pass on informed and current information about our diverse shopping community, but we need your help!

To get started, please take a minute to complete the ***Restaurant Information Form*** on the reverse side and email to the **Visitor Center at NHVC@NewHopeBorough.org**
